Breaking news control-room leader with calm command and disciplined execution under pressure—delivering clean, accurate coverage when urgency is critical

FOX NEWS CHANNEL | New York City

Executive Producer, Breaking News & Network Events 2019-2025

- Led the control room through extended breaking news coverage, guiding talent and crew through last-second pivots with clean execution, often without a planned rundown
- Oversaw FOX Broadcast Network news specials from planning through live broadcast, including inaugurations, State of the Union addresses, Congressional hearings, and high-profile funerals
- Launched and executive produced the 2pm hour of *America Reports*, consistently winning the time period and delivering year-over-year audience growth
- Managed and mentored a show team of producers, bookers, writers, and production assistants

Senior Producer, Shepard Smith Reporting 2016-2019

- Control-room lead for Shepard Smith's breaking-news cut-ins, rapidly responding to major events and coordinating across talent, departments, and show teams to execute seamless handoffs and preemptions
- Owned daily editorial direction and rundown strategy, overseeing production from pitch meeting through clean execution consistent with standards
- Led planning and live execution of Election Night 2016 on the FOX Broadcast Network

Line Producer, Shepard Smith Reporting 2013-2016

- Built rundowns and maintained live pacing—coordinating scripts, graphics, and video elements

Writer, FOX Report with Shepard Smith 2011-2013

- Wrote scripts to meet the anchor's exacting grammar, style, and journalistic standards
