Two decades driving editorial from pitch to prompter — commanding control rooms when breaking news changes everything

FOX NEWS CHANNEL | New York City

Executive Producer, Breaking News & Network Events 2019-2025

- Led control room during extended breaking news coverage, guiding talent and crew through last-second changes cleanly without a planned rundown
- Oversaw FOX Broadcast Network news events from planning through live broadcast, including inaugurations, SOTUs, Congressional hearings, and high-profile funerals
- Launched and executive produced 2pm hour of America Reports, consistently winning its time slot and growing audience year-to-year
- Managed and mentored show team of producers, bookers, writers, and production assistants

Senior Producer, Shepard Smith Reporting 2016-2019

- Developed daily editorial and crafted rundown, then oversaw show team throughout production ensuring alignment with editorial vision and the program's high journalistic standards
- Lead Producer, 2016 Election Night coverage for the FOX Broadcast Network

Line Producer, Shepard Smith Reporting 2014-2016

- Built rundown, timed show, trafficked changes to talent and tech crew

Writer, FOX Report with Shepard Smith 2011-2014

- Wrote scripts to exacting grammar, style, and journalistic standards of network's lead news anchor

WSVN - 7NEWS | Miami

Promoted four times in two years — from weekends to prime time as the station's top producer — built on a reputation for high-adrenaline storytelling and a visual instinct that grabbed attention and didn't let go
